ABOUT US

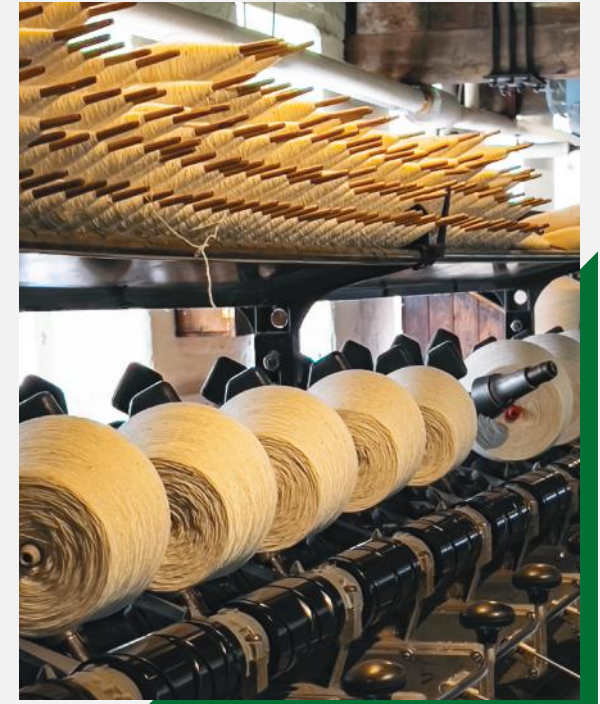

Marionette Company Inc. delivers high-quality yarns & industrial sewing threads across various sectors, including aerospace, automotive, filtration & footwear. With strong expertise in manufacturing, distribution & service, our yarns, renowned for durability, are trusted globally in high-performance applications. Backed by a commitment to excellence, we aim to set new standards in quality, efficiency & innovation. We establish a firm foundation with a global footprint & a mission to empower industries worldwide.

We Don't Just Supply Yarns—We Connect the World, One Thread at a Time!

GLOBAL DISTRIBUTION

We are a trusted supplier of industrial yarns to leading global manufacturers. We've earned the confidence of American customers through consistent quality & service. Leveraging global exposure & deep connectivity, we've built a robust distribution platform that links ancillary units with international markets. Our trained team's commitment to excellence, consistency & worldwide service ensures dependable supply chains for clients around the globe.

Woven with Trust, Powered by Global Reach—We Deliver Where it Counts!

**YEARS

YARNS**

MANUFACTURING

With over 40 years of experience, we produce a wide range of twisted & dyed yarns for textile & industrial use, including sewing threads & pre-wound bobbins, across our two USA plants. As a vertically skilled company, we ensure consistent quality through expert technicians & advanced technology. Strong global partnerships keep us at the forefront of innovation. Backed by skilled leadership & ongoing training, we're ready to meet every customer need.

Spinning the Future, from Fiber to Finish!

STAPLE FIBERS

Soft, versatile & spun to perfection—our staple fibers deliver comfort without compromising quality.

Ideal for textiles that require superior texture, strength & finish!

INDUSTRIAL YARNS

Engineered for strength & durability, our industrial yarns meet the demands of high-performance applications across diverse sectors.

Trusted by global manufacturers for resilience & reliability!

HIGH TENACITY FILAMENT YARNS

- Polyester
- Nylon
- Polypropylene
- Rayon

SPUN YARNS

- Polyester
- Nylon
- Polypropylene
- Rayon
- Cotton
- Poly-Cotton
- Poly-Viscose
- Nylon-Cotton
- Specialty Blends
- Acrylic

OTHER YARNS

We offer a diverse range of other yarns that are tailored for innovation & performance. Our speciality yarns meet the needs of modern, high-demand industries.

- Dyed Yarns
- Texturised Polyester
- Reflective Yarns
- Poly-Viscose
- Mélange Yarns
- Mono Filaments
- (Polyester, Polypropylene & Nylon)
- Air Textured Nylon & Polyester
- Spandex
- UHMWPE
- Fibrillated PP
